😂 oh the crazy is strong in this one.  
@LAPDHQ @Austin\_Police @fbi this woman publicly talks about breaking into  
@ChrissieBixler house and planting drugs to have her kids taken away!

house, plant drugs and drop dimes and off their children go to foster care where they will be drugged on psych drugs and sexually abused. That's if they don't smoke pot recreationally? If they do and her husband looks like he does, the private dix will drop dimes with child services and prove it in court legally along with pictures of him doing the drugs and if she does too, then her too, photos and videos of both of these people doing drugs and a history of doing drugs long term, not one video or one photo.

That's not illegal, you're suppose to report parents who are doing drugs to child services, ~~they are putting their children at risk and there~~
